Summer Sewing Camp is a wonderful opportunity for girls and boys ages 8-16+ to spend 3 hours a day for one week learning basic sewing skills and making fun, cute projects and clothes for themselves. They will be very proud of their projects. Beginner and returning campers will be able to attend together any week of camp.

Our summer projects will be fun for all ages and skill levels. All campers will review basic skills and safety rules the first 30 minutes of camp. All sewing equipment and patterns will be provided for sewing camp. Campers will choose and purchase their own fabrics and notions for their projects. After registration is received, a Materials List will be emailed to each camper.
